THE PRESIDENTS CORNER

Hopefully you've seen the progress on the new hangar building. The underground electric and plumbing are in, and we should see the foundation poured this week. Still anticipating a Halloween move-in date. All hangars are spoken for with signed leases and first month's rent.

Congratulations to Captain Ed Sattely on his retirement from US Airways! His "second" career follows a distinguished career with the US Air Force. Enjoy your retirement, Ed!

Hopefully everyone enjoyed this summer's corn roast and picnic at Strawberry Ridge Golf Course. We had around 70 members and guests for a great afternoon of golf and hangar flying. Thanks to all that helped out -

especially Rich Sismour for organizing the golf, and Dorothy Meeder for her help with food and logistics. Next year we will be settled in our new hangar, and hope to move the corn roast back to the airport.

Fly Safe, Fly Often, Fly Condor!
