New! – Online Membership Registration & Pilot Report

New for this year, members will be required to renew their Condor Membership – online!

This new process works from your PC, phone, or tablet and will enable the collection of very important information for club insurance purposes and will replace the manual pilot report. **Registration will be open by 9/19 and last through 10/31.** Dues and insurance are due by 11/30/14 and will remain the same for next fiscal year.

THE PRESIDENTS CORNER

It's an exciting time for the Club! If you've been to the airport, you can see the Condor hangar being constructed. The framing is nearly completed and the sheeting starts in the next couple days. As of today, we are hoping to beat the 12/1

move in date and be in by mid-November.

I'd like to thank retiring Board members **Fred Kim, Chris Coene, and Bob Belsterling** for their years of service to the Club - much appreciated!

I'd also like to thank **Lindy Callihan** for all the hard work on the updated brochures. We are using them to recruit both experienced pilots and new students to the Club. While I'm on the topic of recruitment, thanks to **Jan Lewis** for leading that effort.

Lastly, thanks to **Jason Jodkin** for organizing another great Poker Run. Unfortunately, the weather did not cooperate, but we still had over 60 people playing their poker hands and hangar flying.

Let keep our fingers crossed for an early hangar move in date !

Fly Safe, Fly Often, Fly Condor!
