## Club Picnic

### Presidents Corner

Happy summer!

The air show and fly-in breakfast season is in full swing. Last month, several Condor members participated in the International Young Eagles Day with EAA Chapter 857 at the Butler County Airport. This gave several dozen young people a chance to experience general aviation, and hopefully sparked an interest in learning to fly.

We also had 10 aircraft head to the Beach City Airport in Ohio for the annual Father's Day Fly-In and Breakfast. The flight out and back was great, and the heavy traffic in the Beach City pattern made for an exciting arrival. Attendance was great, and there were many classic aircraft on display. All in all, a great way to spend Father's Day.

Later this month, several Condor members are making the journey to Oshkosh for AirVenture 2016. It will be exciting to see all the new products hitting the market - especially, developments in the ADS-B space as we near the 2020 compliance date. Those of us attending the show will report back on all the highlights.

Looking forward, our annual Club picnic will be held August 6th at the Strawberry Ridge Golf Course. Details are in this month's Aerogram. I'd like to thank Bill Rose and Rich Sismour for their help coordinating this year's event.

Enjoy the great weather, and take the opportunity to participate in the great aviation events over the next couple months!

Fly.....
