

# CONDOR AEROGRAM

## Club Elections

### Presidents Corner

Hi everyone,

Well if you may have noticed that the days are getting shorter and cooler, which can only mean that fall is upon us. It was a great summer for flying, and I hope you all had a chance to take advantage of the weather.

We had a record number of flight hours, and welcomed many new members to the Club. I'd also like to congratulate those members who added a certificate or rating - great job!

Fall's shorter days and cooler temperatures brings on the potential for night flying, and the start of winter conditions. As with each year, completion of a Winter Seminar is required to fly from November thru March. We've included the dates for the seminars in this month's Aerograms. Hope to see you there.

Lastly, I'd like to thank Jason for another fantastic Poker Run. I'm sorry I could not attend, but I heard we had a great turnout, and a lot of fun.

Enjoy the cooler weather, and fly safely!
