## 60th Anniversary Program

### Presidents Corner

#### Happy 60th Birthday!

I remember celebrating the Club's 50th, and found out about Condor when I learned to fly at Zelienople (then 8G7) in the 1990s. It's been great to see the Club thrive and grow into one of the region's largest and oldest flying clubs!

At the anniversary meeting, held March 7th, and attended by over 70 members and guests, we had a very nostalgic presentation produced by Tony Acker, and built from photographs and stories supplied by many long-term members, specifically, our Club Historian and former President, Chuck Caye, and our own Jason Jodkin. Special "thanks" to these guys, and to everyone who contributed!

We will post the PowerPoint to the condoraero.com website for everyone to view at their leisure, and specifically, for those who were unable to make the meeting/party. I'm one of the latter, as I was out of town on business, and apologize for being absent.

We've come a long way, thanks to everyone's support, and I'm looking forward for continued growth and prosperity for the Club and its membership in the next decade and beyond!

### Anniversary Presentation

Thanks to Chuck Caye, Jason, Tony, Jake and all who worked to prepare the presentation for the March meeting.

It was a great reminder of the people who helped make the club so successful. We are all fortunate to have had such dedicated members contribute to our success.

The PowerPoint presentation from the meeting will be uploaded to the Condor Website.
