Annual Elections!

Presidents Corner

Wow, summer went fast! I hope everyone had a great summer season. From the flight schedule, everyone seemed to be taking advantage of the great weather.

As we transition to the fall, we'll lose the evening daylight. So please get with an instructor and brush up on your night currency. Also remember that runway 17 is still NOTAM'd closed from sunset to sunrise.

At the October meeting, we'll be holding our annual elections. Each year, there are three Board positions available, so if you know of someone interested in serving on the Board, please nominate them. Thanks to Chris Coene for serving as the Election Officer.

Lastly, Jason will be holding his annual Poker Run on Saturday, October 7th. We fly to four local airports, then back to KPJC, picking up a poker card at each location. The high and low hand wins. In the evening, Jason will have dinner. Covered dishes are appreciated. For details, please contact Jason.

Have a great fall, and looking to see everyone at the October meeting!

Fly safe, Fly often, Fly Condor!

Annual Elections

The annual elections will be held at the October meeting.

If you are able to give back to the club a few hours a month, the board needs you!

You only need to be a member in good standing with a desire to help promote aviation through our club. Each year 3 of the 9 board members are up for re-election.

Poker Run

The annual Poker run is scheduled for Saturday, October 7th. The game is to fly to five airports and pickup a poker card at each airport. Winning hands will be high poker hand, low hand, and Jason's Joker.

The cost is \$20 per person, which includes the main course and beverages. Please bring a side dish or dessert to share!

For those who do not fly, the cost will be \$10 for dinner. Looking forward to see everyone there!

Zelienople Airport Jason's Hangar 1A6.

Quotable

"The modern airplane creates a new geographical dimension. A navigable ocean of air blankets the whole surface of the globe. There are no distant places any longer: the world is small and the world is one."

MAINTENANCE

Hobbs Readings have become a problem. Members are not rounding the reading to the next number as they should.

The cables on the hangar doors are beginning to need some repair before one breaks. Jason will arrange to fix them.

N96573 had a 50-hour Inspection.

N2806M had a S.A.T. Inspection completed.

N89549 had a 100-hour Inspection.

N684SP had a 50-hour Inspection and a new nose tire.

N62104's interior is nearing completion. Cabin door handles latches need to be repaired; replacement of sky lights; replacement of D.G. and Tachometer; & engine baffling repairs.

SAFETY

Club currency and FAA currency were discussed. Members were reminded to be sure he/she is current according to FAA rules and club rules both.

The hangar cables are worn and need to be replaced. Members were warned not to stand under the doors as the cables might break prior to repair.

Planes are being left without cleaning the inside and the leading edges outside. It is important to keep the planes in good condition.

The Club room is also being neglected. Everyone who uses it should help keep it clean.

When the snacks and drinks are taken money should be put in the jar. If the money is not given for food taken the club may not be able to keep snacks on hand.

ADJOURNMENT

Phil Kriley moved and Taylor Manoli seconded, "The July Meeting of the Condor Aero Club is adjourned." - Motion carried.
